FINANCIAL POLICIES

Thank you for choosing Paloma Medical Group. We welcome you to our office. We are better able to concentrate on the practice of medicine and provide quality of care by having our financial policies understood by our patients and thus avoiding confusion or misunderstandings.

Insurance Filing insurance claims is a courtesy extended to our patients and is not a guarantee of payment. We will bill insurance claims with a maximum of two insurance carriers per patient. It is important to emphasize that your insurance is a contract between you and the insurance carrier. Insurance plans and contracts change constantly. It is your responsibility to contact your insurance company and verify your benefits and verify that your doctor is a contracted provider in your network PRIOR to your visit. You will be financially responsible for the services rendered if we are not paid by your insurance carrier. _____ (patient's initials).

All services rendered by Paloma Medical Group that are not a covered benefit by your insurance policy are your responsibility. Any patient that is seen or treated without proper authorization from their insurance carrier is responsible for the full charge of the services rendered if payment is not authorized retroactively. All monies owed by the patient (e.g. co-payments, deductibles, required "out-of-pocket" amounts, non-covered services and co-insurance amounts) are due at the time services are rendered. _____ (patient's initials)

Co-pays and deductibles – All co-pays are due at the time services are rendered. Deductibles are due upon receipt of an explanation of benefits from your insurance carrier. Failure on our part to collect co-payments and deductibles from patients can be considered fraud and we could be subject to fines, or other consequences. Please be sure to pay all co-pays and deductibles as stated above. _____ (patient's initials)

Non-covered services – Please be aware that some – and perhaps all – of the services you receive may be a non-covered benefit. You must pay for these services at the time services are rendered. Please note, a check of eligibility is not a guarantee of payment on your behalf from your insurance carrier. _____ (patient's initials)

Coverage changes – It is your responsibility to notify our office immediately upon changes with your insurance carrier. Failure to do so will result in Paloma Medical Group billing you for services rendered. _____ (patient's initials)

Nonpayment – All payments are due immediately and in full. Failure to do so within 90 days will result in your account being sent to an outside collection agency. _____ (patient's initials)

Our practice is committed to providing you with the best treatment possible. We are willing to work with any patient requesting a financial payment plan. By signing below, you are acknowledging you have read and understand all terms that are outlined in this policy. Should you have any questions or concerns, please feel free to address them with us.

MEDICAL APPOINTMENT CANCELLATION/NO SHOW POLICY

Thank you for trusting your medical care to Paloma Medical Group. When you schedule an appointment with Paloma Medical Group we set aside enough time to provide you with the highest quality care. Should you need to cancel or reschedule an appointment please contact our office as soon as possible, and no later than 24 hours prior to your scheduled appointment. This gives us time to schedule other patients who may be waiting for an appointment. We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. A "no show" is someone who misses an appointment without canceling it within a 24-hour working days in advance. No-shows inconvenience those individuals who need access to medical care in a timely manner.

How To Cancel Your Appointment If it is necessary to cancel your scheduled appointment, we require that you call one working day in advance. Appointments are high in demand, and your early cancellation will give another person the possibility to have access to timely medical care. To cancel an appointment, please call our office 8:30 am through 4:30 pm at (949) 443-4303, press option 1 then option 1 to speak with a receptionist.

• **Effective January 1, 2018 any patient who fails to show or cancels/reschedules an appointment and has not contacted our office with at least 24 hours' notice will be considered a No Show and charged a \$50.00 fee. The fee is charged to the patient, not the insurance company.**

• As a courtesy, when time allows, we make reminder calls for appointments. If you do not receive a reminder call or message, the above Policy will remain in effect.

I have read and understand the Medical Appointment Cancellation/No Show Policy and agree to its terms.

ADVANCE MEDICAL DIRECTIVES

Definition: Advance Directives can protect your right to refuse or accept medical care if you ever become mentally or physically unable to choose or communicate your wishes due to an illness or injury.

Why have an “Advance Directive”?

This protects your right to make medical decisions that can affect your life. It helps your family by allowing them to avoid the responsibility and stress of making difficult decisions. It helps your doctor by giving them guidelines for your care.

What kind of situation might cause me to need an “Advance Directive”?

If you ever:

- o Have irreversible brain damage or brain disease, which can affect your ability to think as well as communicate.
- o Have a permanent coma or other unconscious state, which can leave you without hope of recovery.
- o Have a terminal illness in which you are expected to die within a short period of time.

What kinds of things can “Advance Directive” discuss?

1. CPR – A procedure is used to restore stopped breathing or heartbeat.
2. IV therapy (intravenous) – This is used to provide food, water, and/or medication through a tube placed in a vein.
3. Feeding tubes – Are inserted through the nose, throat or through a hole in the abdomen (stomach wall) to provide liquid food/nutrition when you cannot eat, chew or swallow yourself.
4. Respirators – are machine used to keep a patient breathing they are unable to breath on their own (previous called “iron lungs”)
5. Dialysis – a method of cleansing the blood by a machine when kidneys are no longer working properly.

Advance Directives allow you to state whether you choose any of these procedures or wish to refuse them.

How do I get an “Advance Directive”?

You can make a “living will” or a durable power of attorney for healthcare. You can contact a lawyer to get one of these forms, or you can simply push your wishes in writing; be as specific as possible, then sign the document and have it witnessed and notarized.

Give a copy of your advance directive to your doctor as part of your medical records, and inform your family that you have done so. You can also make special requests or statements such as regarding organ donation, etc.

Where can I get more information or help in preparing “Advance Directives”?

- o Any family lawyer or attorney
- o The state Attorney General’s office
- o The internet @ www.caringinfo.org
- o Local hospitals
- o Local hospice agencies
- o Local home health agencies
